### Important Information Regarding Draw

#### **Please Read Carefully**

- Events are listed in Alphabetical Order of events each day.  
(*Fri. Adult, Fri. Derby, Fri. Futurity, Fri. Open, Fri. Senior, etc*) You must continue to scroll down the pages to see the Open draw each day.
- Draw for each event is listed in Alphabetical order by contestants' last names.
- Please verify your side-pot entries to ensure we have you in the correct side-pot groups.
- Draw numbers beginning with \*F denote carry-overs from the Futurity, \*D denotes Derby carry-overs, SP denotes Saturday Peewee carry-overs, and XP denotes Sunday Pony carry-overs.
- All Breeders Challenge classes function as side-pots of the main Futurity, Derby and Open races. All Futurity entries will be ran together. All Derby entries will be ran together. See the Master draw for those classes!
- Lucky Dog Futurity & Derby functions as a side-pot of the main Futurity & Derby. All Futurity entries will be ran together. All Derby entries will be ran together. See the Master draw for those classes!
- All Futurity, Derby entries must have registration papers on file prior to competing. These side-pots will not be paid out until all papers have been received and all horses have been verified as eligible to compete in their respective side-pots.
- If you have a 999 listed by your name in any event, please come to the office upon arrival.
- If your horse name is listed as HORSE NAME REQUIRED, your entry did not include a horse name. We must have your horse name prior to your run or you will be disqualified.
- There are TWO columns on each page of the draw sheets. Be sure to look at the draw numbers listed BEHIND your name, not in front of it.
- **If you pre-entered and did not get your requested group of 50 in the draw, it is because your requested group was already full when your entry was received. Those requesting a previously filled group were placed in the next available group in the draw. All requests are granted in the order they are received. There is a move-up list at the event which will be used in order of sign-ups as any draw outs are received. No one can be placed on the list until the entry office opens on Thursday. If you did not list any pre-entry requests, your entries went into the random draw after all requests were processed.**
- Open late entries close when the FIRST horse runs in the Open each day. NO EXCEPTIONS! Side-pots may be added any time prior to your competition run.
- Futurity & Derby entries close at 6:00 PM on WEDNESDAY, MAY 5!
- Note: Draw may or may not be full through any certain number each day, especially on Thursday/Friday when the most popular draw request is to be late. Do not assume that you will run late just because you did not pre-enter. Entries taken onsite are drawn randomly and will fill any open positions in the draw. Check the draw before the race starts!
- If you requested a draw in a late group of 50, be aware that the draw may not fill up to your number and if so, you will move up in the running order. Be sure to check the RUNNING ORDER draw for your actual run number after the final draw has been posted.
- Running Order draws will be posted online as time allows only as a courtesy to those wishing to follow along with the live webcast. Online running order draws are unofficial. Official draw lists are available onsite for contestants.
- **IF YOU FIND A MISTAKE OR OMISSION IN THE PRE-ENTRY DRAW PLEASE EMAIL [christy@luckydograces.com](mailto:christy@luckydograces.com). We will not be able to answer phone calls or monitor Facebook for messages prior to Wednesday office hours. We will respond to emails as soon as possible. However, once the event begins on Thursday all questions and concerns need to go directly through the entry office in person or over the phone as we will not be able to regularly check e-mails or social media during the event!**
