Important Information Regarding Draw

Please Read Carefully

- Events are listed in Alphabetical Order of events each day.
(*Fri. Adult, Fri. Derby, Fri. Futurity, Fri. Open, Fri. Senior, etc*) You must continue to scroll down the pages to see the Open draw each day.
- Draw for each event is listed in Alphabetical order by contestants' last names.
- **Please verify all of your side-pot entries to ensure we have you in the correct side-pot groups.**
- Draw numbers beginning with SP on Saturday denote Peewee carry-overs, and XP on Sunday denotes Pony carry-overs.
- All Futurity & Derby side-pot entries on Saturday & Sunday must have registration papers on file prior to competing. These side-pots will not be paid out until all papers have been received and all horses have been verified as eligible to compete in their respective side-pots.
- There are TWO columns on each page of the draw sheets. Be sure to look at the draw numbers listed **BEHIND** your name, not in front of it.
- **FUTURE FORTUNES horses MUST submit an online entry form through the FF Website in order to be eligible for the \$50,000 Bonus Money on Saturday. Even if you are listed on our FF sidepot, you will not be eligible if you do not also submit the FF entry directly through FF.**
- **If you pre-entered and did not get your requested group of 50 in the draw, it is because your requested group was already full when your entry was received. Those requesting a previously filled group were placed in the next available group in the draw. All requests are granted in the order they are received. There is a move-up list at the event which will be used in order of sign-ups as any confirmed scratches are received. No one can be placed on the list until the entry office opens on Thursday. If you did not list any pre-entry requests, your entries went into the random draw after all requests were processed.**
- Open late entries close when the FIRST horse runs in the Open each day. **Peewee entries close when entry office closes and Friday and Pony entries close when the entry office closes on Saturday. NO EXCEPTIONS!** Side-pots may be added any time prior to your competition run.
- Note: Draw may or may not be full through any certain number each day, especially on Friday when the most popular draw request is to be late. Do not assume that you will run late just because you did not pre-enter. Entries taken onsite are drawn randomly and will fill any open positions in the draw. Check the draw before the race starts!
- If you requested a draw in a late group of 50, be aware that the draw may not fill up to your number and if so, you will move up in the running order. Be sure to check the RUNNING ORDER draw for your actual run number after the final draw has been posted.
- Running Order draws will be posted online as time allows only as a courtesy to those wishing to follow along with the live webcast. Online running order draws are unofficial. Official draw lists are available onsite for contestants.
- **IF YOU FIND A MISTAKE OR OMISSION IN THE PRE-ENTRY DRAW PLEASE EMAIL christy@luckydograces.com. We will not be able to answer phone calls or monitor Facebook for messages prior to Wednesday office hours. We will respond to emails as soon as possible. However, once the event begins on Thursday all questions and concerns need to go directly through the entry office in person or over the phone as we will not be able to regularly check e-mails or social media during the event!**
