Important Information Regarding Draw

Please Read Carefully

- Events are listed in Alphabetical Order of events each day.
(*Fri. Adult, Fri. Derby, Fri. Futurity, Fri. Open, Fri. Senior, etc*) You must continue to scroll down the page to see the Open draw.
- Draw for each event is listed in Alphabetical order by contestants' last names.
- **Please verify all of your side-pot entries to ensure we have you in the correct side-pot groups each day.**
- **All Futurity, Derby sidepot entries must have registration papers on file prior to competing. Please turn your papers in to the office as soon as you arrive!** These side-pots will not be paid out until all papers have been received and all horses have been verified as eligible to compete in their respective side-pots. NEW FUT/DERBY ELIGIBILITY YEAR BEGAN NOVEMBER 15, 2023!!
- If your horse name is listed as HORSE NAME REQUIRED, your entry did not include a horse name. We MUST have your horse name prior to your run.
- There are TWO columns on each page of the draw sheets. Be sure to look at the draw numbers BEHIND your name, not in front of it.
- **If you pre-entered and did not get your requested group of 50 in the draw, it is because your requested group was already full when your entry was received. Those requesting a previously filled group were placed in the next available group in the draw. All requests are granted in the order they are received. There is a move-up list at the event which will be used in order of sign-ups as any confirmed scratches are received. No one can be placed on the list until the entry office opens on Thursday. If you did not list any pre-entry requests, your entries went into the random draw after all requests were processed. Please do not contact us about not getting your request met as we processed all requests in the order they were received and put everyone as close to their request as possible!**
- Open late entries close when the FIRST horse runs each day. NO EXCEPTIONS! Side-pots may be added anytime prior to your competition run. **Office will close at 9:00 pm each night or with the conclusion of the race!!**
- **Peewee entries close Friday night and Pony entries close Saturday night.**
- Note: Draw may or may not be full through any certain number each day, especially on Friday when the most popular draw request is to be late. Do not assume that you will run late just because you did not pre-enter. Entries taken onsite are drawn randomly and will fill any open positions in the draw.
- If you requested a very late number, be aware that the draw may not fill up to your number and if so you will move up in the draw. Check the RUNNING ORDER draw after the final draw has been posted to verify your actual run number.
- Running Order draws will be posted online as time allows only as a courtesy to those wishing to follow along with the live webcast. Online running order draws are unofficial. Official draw lists are available onsite for contestants.
- **Hooey Junior Patriot qualifier entries must enter online through the Patriot website before 9:30 AM on Saturday, October 5 and enter Saturday's Open race.**
- **Legends of the South stallion incentive entries must check the box on the Open entry form to be eligible for the \$5,000 Added Sidepot on Saturday.**
- **IF YOU FIND A MISTAKE OR OMISSION IN THE PRE-ENTRY DRAW EMAIL christy@luckydograces.com.**
- *Days prior to office opening are spent traveling and setting up. We will not be able to answer phone calls or monitor Facebook for messages during this time. We will respond to emails as soon as possible. However, once the event begins, all questions and concerns need to go through the entry office by phone or in person as we will not be able to regularly check e-mail during the course of the event.*
