

Important Hookup Information

Please Read Carefully!!!

WATER WILL BE TURNED OFF TO ALL HOOKUPS UNTIL FRIDAY DUE TO OVERNIGHT TEMPS IN THE TEENS ON THURSDAY! Please plan accordingly and fill your trailer tanks before you arrive! Water will be left dripping in the barns. Please disconnect hoses in the barns overnight!

All regular hookups are a weekend rate for Thursday-Saturday night. All regular hookups in both the upper and lower lot will have 30 AMP service and water only with a select few 50 AMPs available in the lower lot.

VIP Hookups are a flat rate for the entire event. VIP Hookups have both 30 & 50 AMP Power supply, water and sewer unless otherwise listed on the VIP RV Chart.

If you are assigned a hookup in the LOWER LOT, you will see the attendants at the guard shack upon arrival for your rv card and instructions of where and how to park if arriving between the hours of 8:00 AM & 8:00 PM. If you arrive overnight, you will need to find the lower lot, park on the far West side of the lot where the spider box power supply boxes have been put out and see the guard shack attendants in the morning after 8:00 AM to get your RV Card.

Generators are welcome, but are not allowed within 20' of the stall barns. No trailers are allowed to plug into the barns. No trailer parking is allowed in the upper rv lot unless using a hookup!

Email christy@luckydograces.com if you find any errors so we can resolve them before you arrive! *NOTE: All requests were granted in the order received! If you did not get your request met, you were put as close as possible to the request based on what was available when your entry was received.
